

New Hope for the Wretched

Reason for Fools to Flee and Villains to Fear

1. The first law in life is that **"there are no rules"**: "Might makes right"—so do as you please and suffer the consequences. This is the **'Law of Nature'** which too many folks mistake for *karma*, *chance*, *manifest destiny*...
2. There is *an exception* to the **'First Law'**—a difference between the **"letter of the law"** and the **"spirit of the law"**: This is the unwritten/unspoken **'Law of Love'**—as a *mother's love* outweighs the **'will to power'** of the father.
3. Remember and never forget **"The Golden Rule of One"**: "Whom-so-ever hath the gold maketh the rules." Note: This is not the **Divine Right of the King** (as in the deliberation of virgins is concerned; *i.e.*, *"the tearing of the veil in the temple"*).
4. That **"rules are meant to be broken"** is proven by those in power over 'us' which make-up the rules whilst the game is yet in play: This is the **'Law of Change'**—and its meaning is simple: "To the victor go the spoils... especially as concern the Tavistock MK propaganda lie of history governing we **'goyim chattel'** (*'slavish cattle'*)."
5. The **"rules change"** from time-to-time and place-to-place and are **"nowhere the same"** as everywhere people, language, and customs differ—this is not to be mistaken for the **Law of Change**—*supra*: (*e.g.*, *"some pigs are more equal..."*).
6. Do not play by the rules—it's a dog-eat-dog world and no one gets out alive.
7. On the Natural Laws of Existence: The draconian law of 'fight or fuck' or "freeze or flee" is the one rule which canst be broken... as it is base instinct (*examples follow*):
 - i) The gravity of the magnetic **'laws of attraction'** naturally proves *that* not only does **'like attract like'**—as dogs don't mate with cats—so, *too*, do **'opposites repulse one another.'**
 - ii) The natural law of **"survival of 'the fittest' necessitates that it's always 'eat or be eaten' and never truly 'forgive and forget,'** which is thought to be the **"turn-cheek law of the land"** (*"à la façon du pays"*)!"
 - iii) The **common law** of **"do unto others,"** is moot as concerns the **"fabled five monkeys."**
 - iv) **Lex talonis**: "Eye for an eye, tooth for tooth"—**retributive justice**—is the oldest form of **"as above, so below"** law and the foundation of all 'true' jurisprudence.
 - v) Horse sense or common sense transcends the written law as oft as not (*examples follow*):
 - a) The truth is a lie which R.C. Christian has not yet told 'us' differently.
 - b) The lie is widely known for what it is... but is *nevertheless* apologetically excused and passed off as truth by 'our' **Udug-worshipping mansters** (as fluoride, 440 Hz, HAARP, chemtrails, 5G, *etc.*...).
 - c) No one is "born free" as our world wherein we all die is a prison *viz.* **"a mass grave."**
 - d) The **"enemy of my enemy"** is not always an ally (cf., the **"Battle at Kruger"**).
8. Despite fools believing that **"fair justice will be found in a court of law before the Crown,"** villains 'be aware' **Iustitia** canst not only discern what is true from the lie but she is a dumb bitch and knoweth not right from wrong—and this is the most important law and greatest truth **"without which 'we live as the animals'."**

We are invisible and we are all around you!

If you run, we will pursue; if you hide, we will seek and find you, if you fight back, we will punish you and yours; if you don't fight... you will be our slave; and, as you die, we rejoice...

The meek people of the future will inherit a mongrelized prison-planet wherein our helot gaolerswine will cull ye... so that the diversity of the White races and middle class folk will gradually disappear...

owing to a vanishing of space, time, and kiklysh prejudice.

The Asian Negroid "Stargate" subhuman slave race of the future will replace the diversity of peoples with a "Gerasene legion" of homo-clone mongrels.

Instead of our puppets Hitler, Mussolini and Franco destroying Jewry,

the Yalta pimps FDR, Churchill, and Stalin whored Europa to us...

and we Mugwump money-changers and tax-collectors have raped her ever since...

and so spawned us our international fiat-nation through the collectivization process.

You wonder why we Learned Elders created our false Ghetto!? prospering under guise of suffrage...

How elsewise could we quash you dead scum fucks to develop our Satanic Order?

Twas how our NKVD hammer and Gestapo anvil forged a Hegelian "hell on earth" for youse and yine.

Know this: We God-damn Jesuit-Papists be (((cruel masters)))... and the "one world" gulag favelas is a global slum and a mass grave for ye kine.

As Mac Zedong, Kim Il-Song and Pol Pot used the young student-worker peasant Red-Guards

and turned them foolish children against those who bore and nurtured them;

so too, since the Cultural Marxist "Summer of Love," have we Fabians set your youth against you;

thus, they hate their forefathers and shame their ancestors to embrace the Afro-Asiatic Third World.

We control all "newspeak" and have sublininated the minds of your Pavlovian offspring to obey OHIM 0000.

It was we who seeded the Black African slaves in America... but it is you who they are told to blame!

We married into Europe's dilapidated feudal aristocracy, as Abram seduced Nimrod and Jacob fooled Laban,

and as Pharaoh and Caesar were made our bitches for ever... made we you subservient till death!

Dare any try to stop us... we "reptiles" shall answer with the "Samson Option": If we cannot rule all... we will destroy all.

You are our "goyim" and we will use and misuse and abuse you as we see fit.

You have followed the Judas-goat we gave you... and it has led you flesheople into our abattoir.

Surely, if there were a god who'd save you... you'd not be a Galápagosian commodity possessed by us!

If you live it is because we allow you to do so... and whence you perish it is because we desired it be so.

You think you're born free... but you are our chattel from birth.

We are cordyceptic Nosferatu and you worthless eaters are our hive-mind Adrenochrome "blood bags."

Say and do and think as you are told, villein scat... or else!

and if you speak or act otherwise, we'll make youse Muselmänner regret being born.

And I stood upon the sand of the sea,
and saw a beast rise up out of the sea,
having seven heads and ten horns,
and upon its horns ten crowns,

and upon its heads the name of blasphemy.
